The starlet giggled, then demurred. I pressed the question.

“Well, I guess after basking in the light of her energy, I knew truth for the first time, and that is when I converted.”

I suddenly saw a glow surround her

auburn hair and those dazzling green eyes turned jet black. She opened her mouth and the ancient prayers emanated from between those sensual lips that have left the leading men in Hollywood powerless.

I soiled myself and lost most of my eyebrows, as the energy was just too much see pg 2

Ask Tezcatlipoca! God of sorcery, night, and discord!

Tezcatlipoca,

My mother in law recently lost her job and has come to stay with my husband and our young son. The free babysitting when my husband and I go on date night is nice, but otherwise she sits around the house and critiques my parenting! What should I do? – Tired in Texas

TIT,

Gather a pound of her dead flesh. Fingernail clippings and dead hair will work. Arrange them closely together and surround them with a circle of salt. I will come and bring the words to you. If that doesn't work, consider family therapy.

Tezcatlipoca, I've recently

been unable to sleep. I wander the streets at night with pangs of hunger. The doctors don't know what's wrong! –
Starving for Blood

SFB,

Give in to your base urges and consume flesh in my name.

Question for Tezcatlipoca?

I watch Headbangers Ball and fake liking Nuclear Assault.

LIFE MUSIC

Hardcore is everywhere in town. I make myself like it but won't wear the sXe. Hot girls like cloves though.

At the mall with a girl I want to date, buy Tori Amos with her, run back in for Aphex Twin

Create the perfect mixtape, but now "she" has it and won't appreciate it like me

(Free) Jazz exists! Thanks Thurston

Yo MTV Raps after school, how does Big Daddy Kane make sense to me

1st time on the Internet, look up Slint/Mercury Rev Lyrics

Music is only Carole King, Patsy Cline, and Ernie's Tiger Hunt.

Lollapalooza. Waterloo is my Woodstock, can't go. Have a dream walking thru a mall, every store is a band

Watch Pump Up the Volume and buy soundtrack, it all changes and leads back to here

it's taking over

Drive all night for any show, money on shows, Bugles for dinner.

First concert, go for Faith No More, leave for Billy Idol

Money money. Mow the neighbors grass, ask my dad to drive me to Gallery of Sound, Friday night listen to Captain Beefheart, Unrest, Rollins.

Lollapalooza with Sonic Youth! But, the guitar in Pavement's Kennel District isn't right. Superchunk plays Ribbon and all is right with the world.

Tipper Gore tells me about 2 Live Crew, Janis Addiction, every speech in school is about free speech

I FIND WAYNE'S RECORD DEPOT!

Count hourly pay in music (1 hour - 17", 2 hours - 1 CD, 2 1/2 hours - 1 LP). "Wanna hear some weird music" says Wayne. Yessssss!

[A technique to get you exactly what you need. They always "appear" to work.]
(imagine what you want as clearly as possible)

1. Write down a vision of what you really want.
Something that could happen.

Be sure you are happy with the consequences.

2. Rewrite (and rewrite) it to be exact.

"if you say - I want... - you are casting to want

a. I have a job caring for others and growing creatively.

b. Spend the majority of the day being caring and creative.

c. Think of others more than myself.

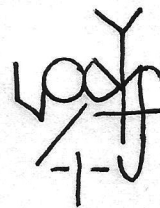

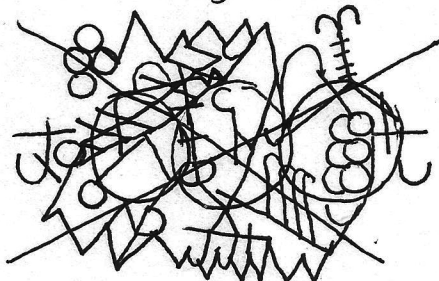

d. Live life in a caring and creative way.

3. Remove all the vowels.

4. Remove the repeated consonants.

Aww, man; I
forgot they close
early on Friday--
Damn it!

AND SO...

Naw, he's cool...
He's just smart. I sit
behind him in English
class and he's always
drawing these gory

Uhh...is that
Hikiko Mori?...
Maybe we should
head back; he might
rat us out.

Hey, 'Konnichiwa,'
Hikiko -- are you the
one who brought
these bones out
here?

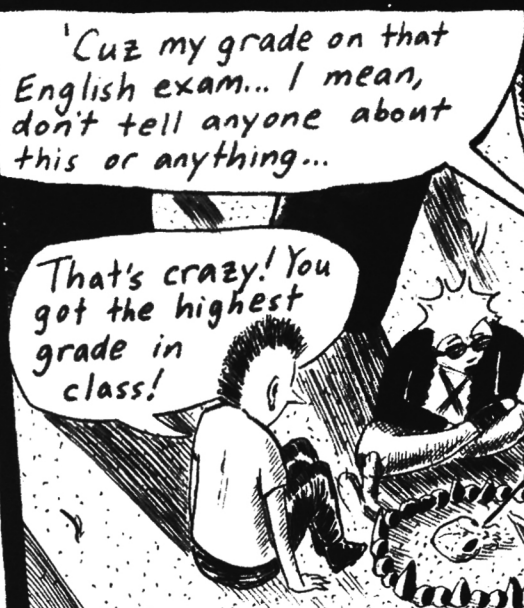

Hey, Sam.
No, I just found
them like this...
pretty creepy, huh?

Yeah, I...
WOAH, what happened
to your eye?! That
is **NASTY**, dude!

My dad punched me
in the face.

WHAT?!
WHY?

'Cuz my grade on that
English exam... I mean,
don't tell anyone about
this or anything...

That's crazy! You
got the highest
grade in
class!

Yeah, well...

... Wanna go to a
concert tonight, Hikiko?

I would, but
I have a
curfew.

It's Friday night!

Umm... if your dad
beats you anyway for
doing your best, you might
as well have a little
fun for once.

ZYM ZZZYZZO

THE LAST GUY IN THE PHONE BOOK

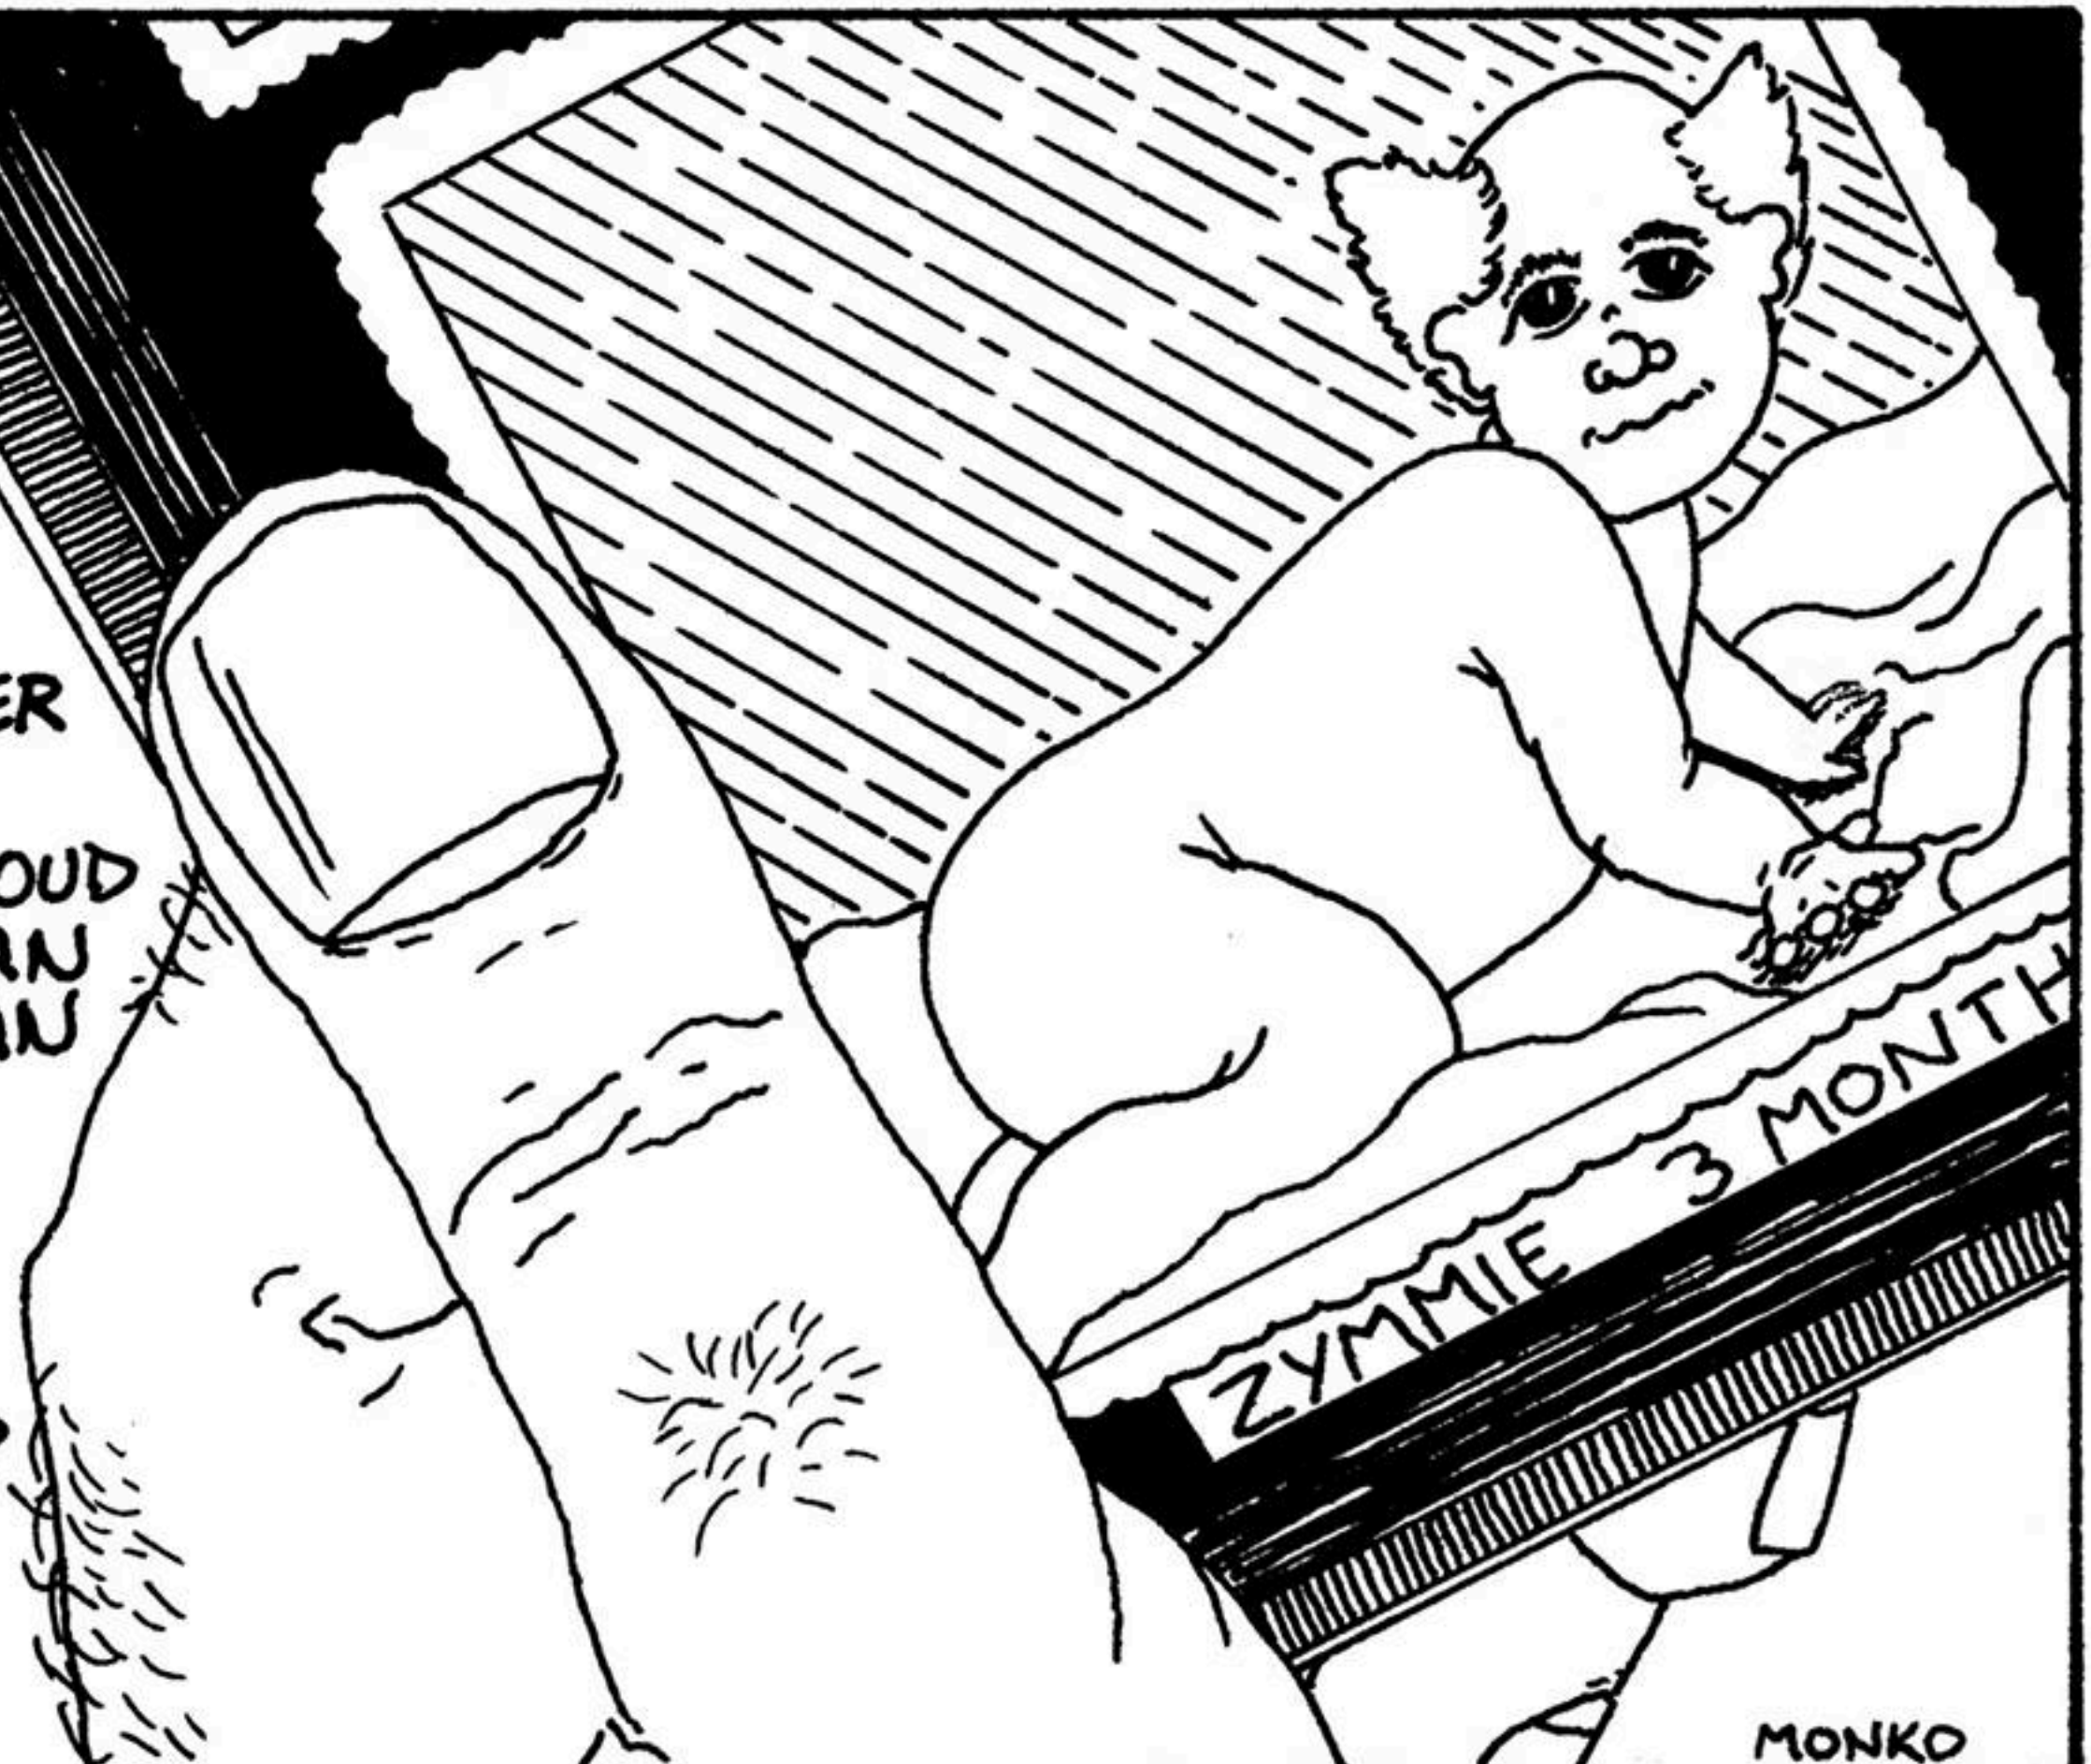

EXPLORING SPELUNKIN' LIKE A LONG-IGNORED NOOK IN THE BOWELS OF GRANNY ZZZZZO'S BASEMENT, ZYM AUSPICIOUSLY UNEARTHS WHAT APPEARS TO BE A TREASURE CHEST.

BUT THE SIN-STREWN TRAIL OF FAMILIAL CORRUPTION AND DEBAUCHERY HE UNCOVERED UPON UNLOCKING THIS VERITABLE PANDORA'S TRUNK WILL SHAME AND HAUNT ZYM ALL HIS DAYS.

FOR ZYM HAD HAPLESSLY TREAD UPON A NEST OF SNAKES FROM WHICH SLITHERED AN ODIOS TRUTH, A LOATHSOME VIPER SCRAWLING A SQUALID PORTRAIT OF A ONCE PROUD AND NOBLE ZZZZZO CLAN AS A DEPRAVED BARBARIAN HORDE, SO MORALLY BANKRUPT THEY COULD ALLOW THEIR YOUNG TO BE PHOTOGRAPHED AND OPENLY DISPLAYED — TOTALLY NUDE!

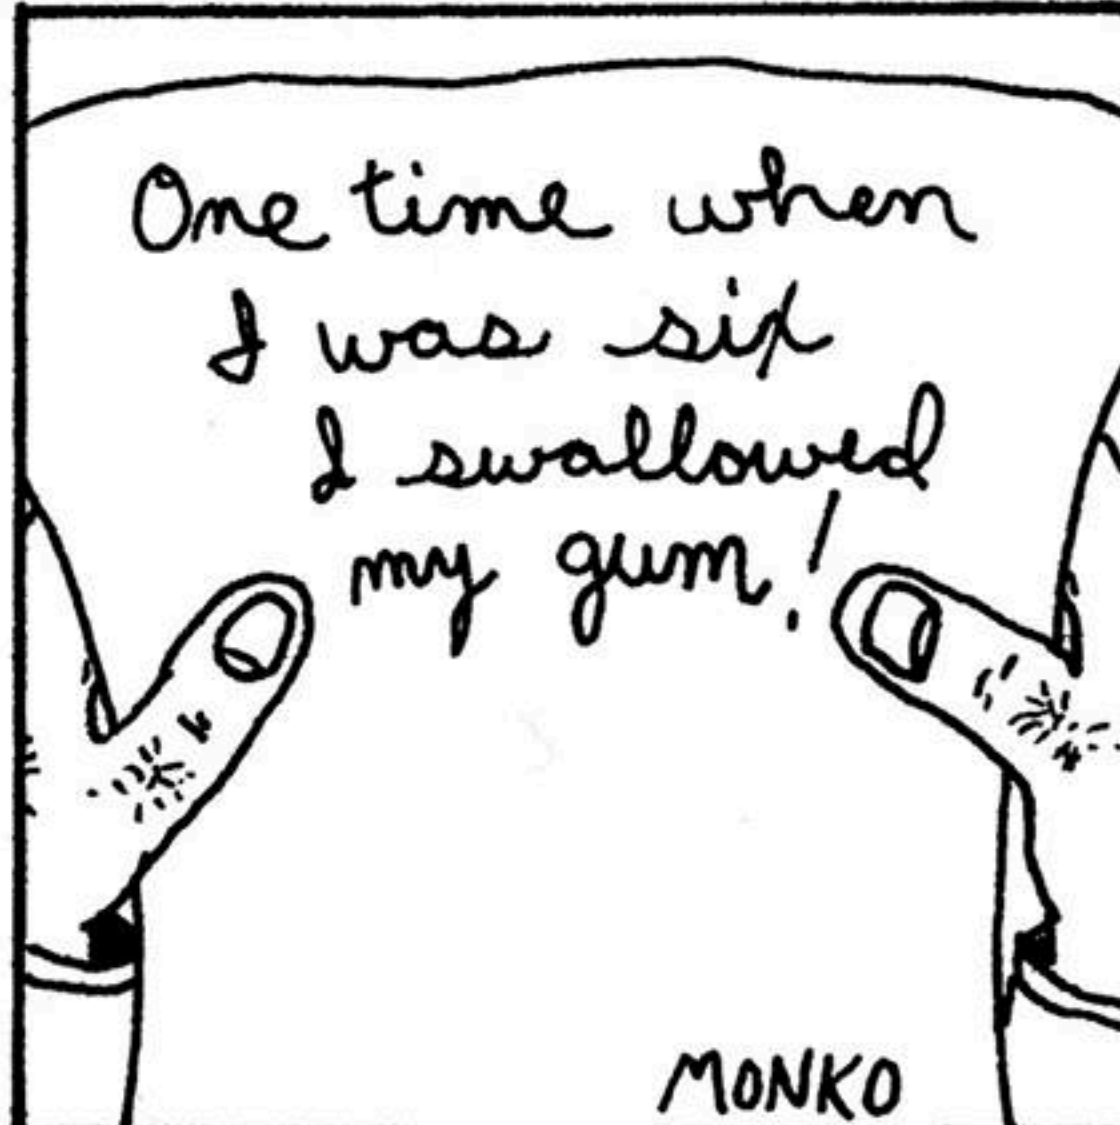

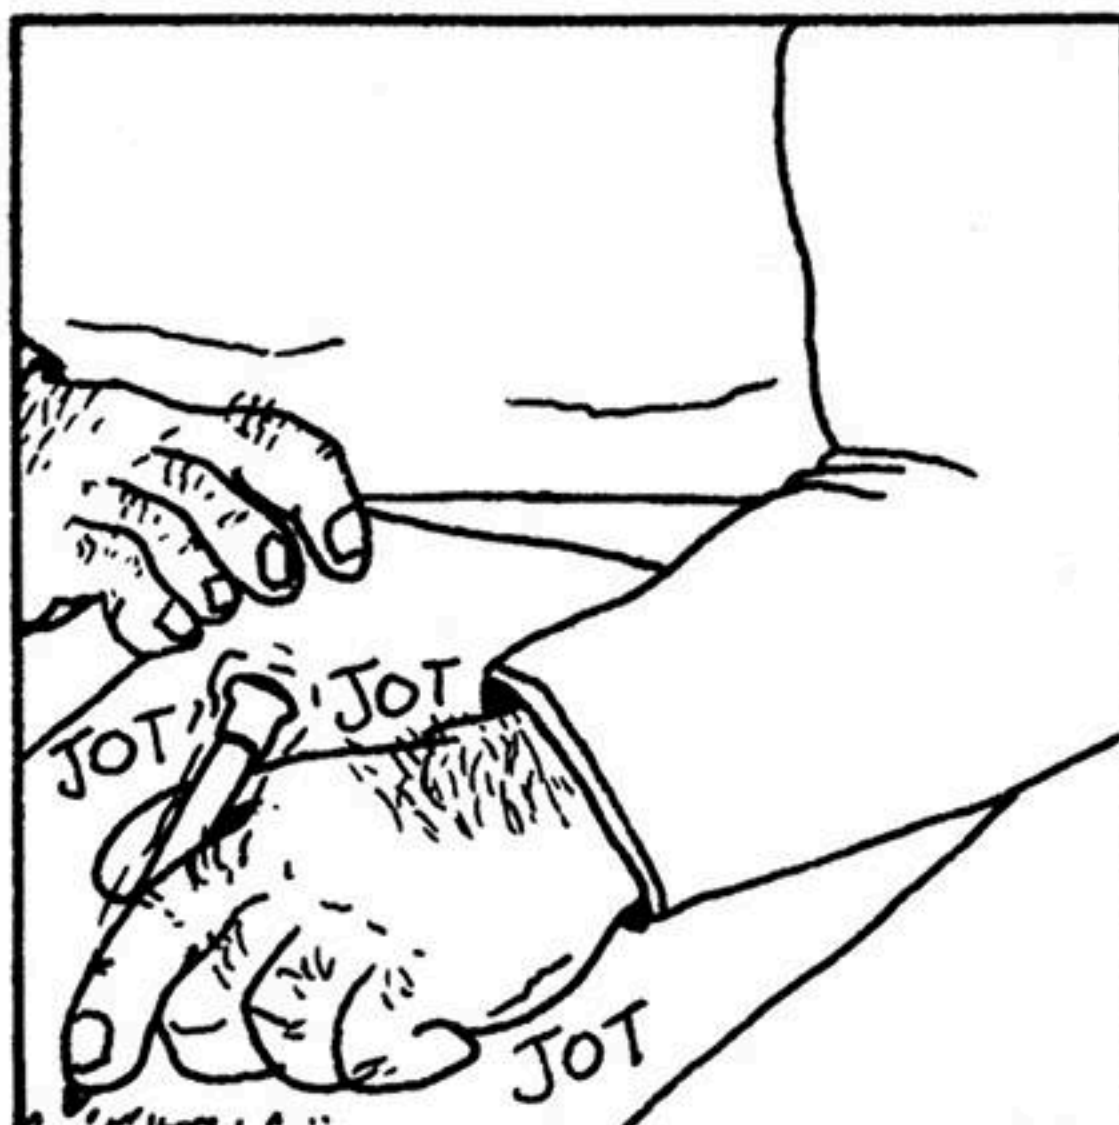

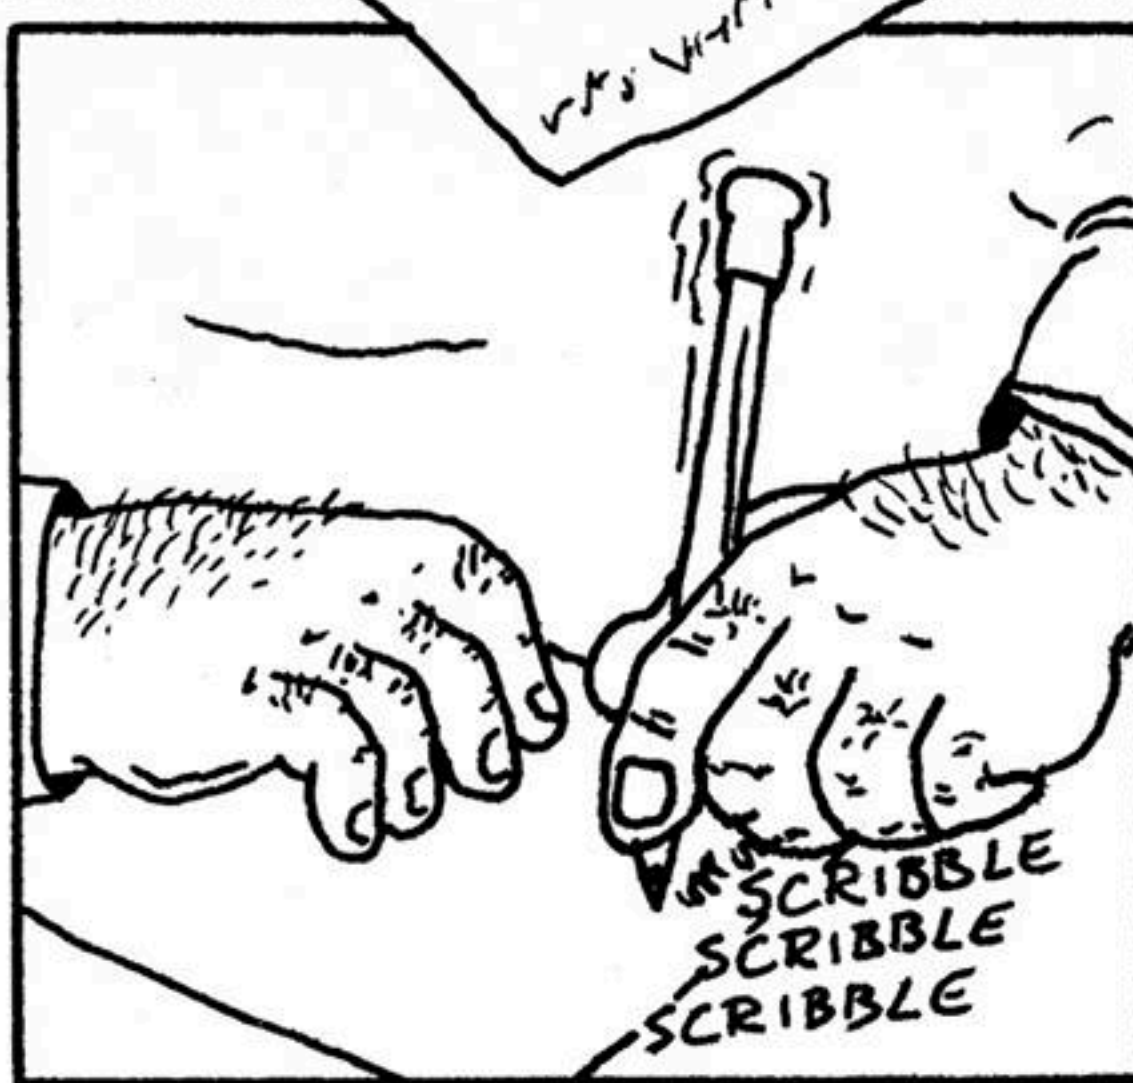

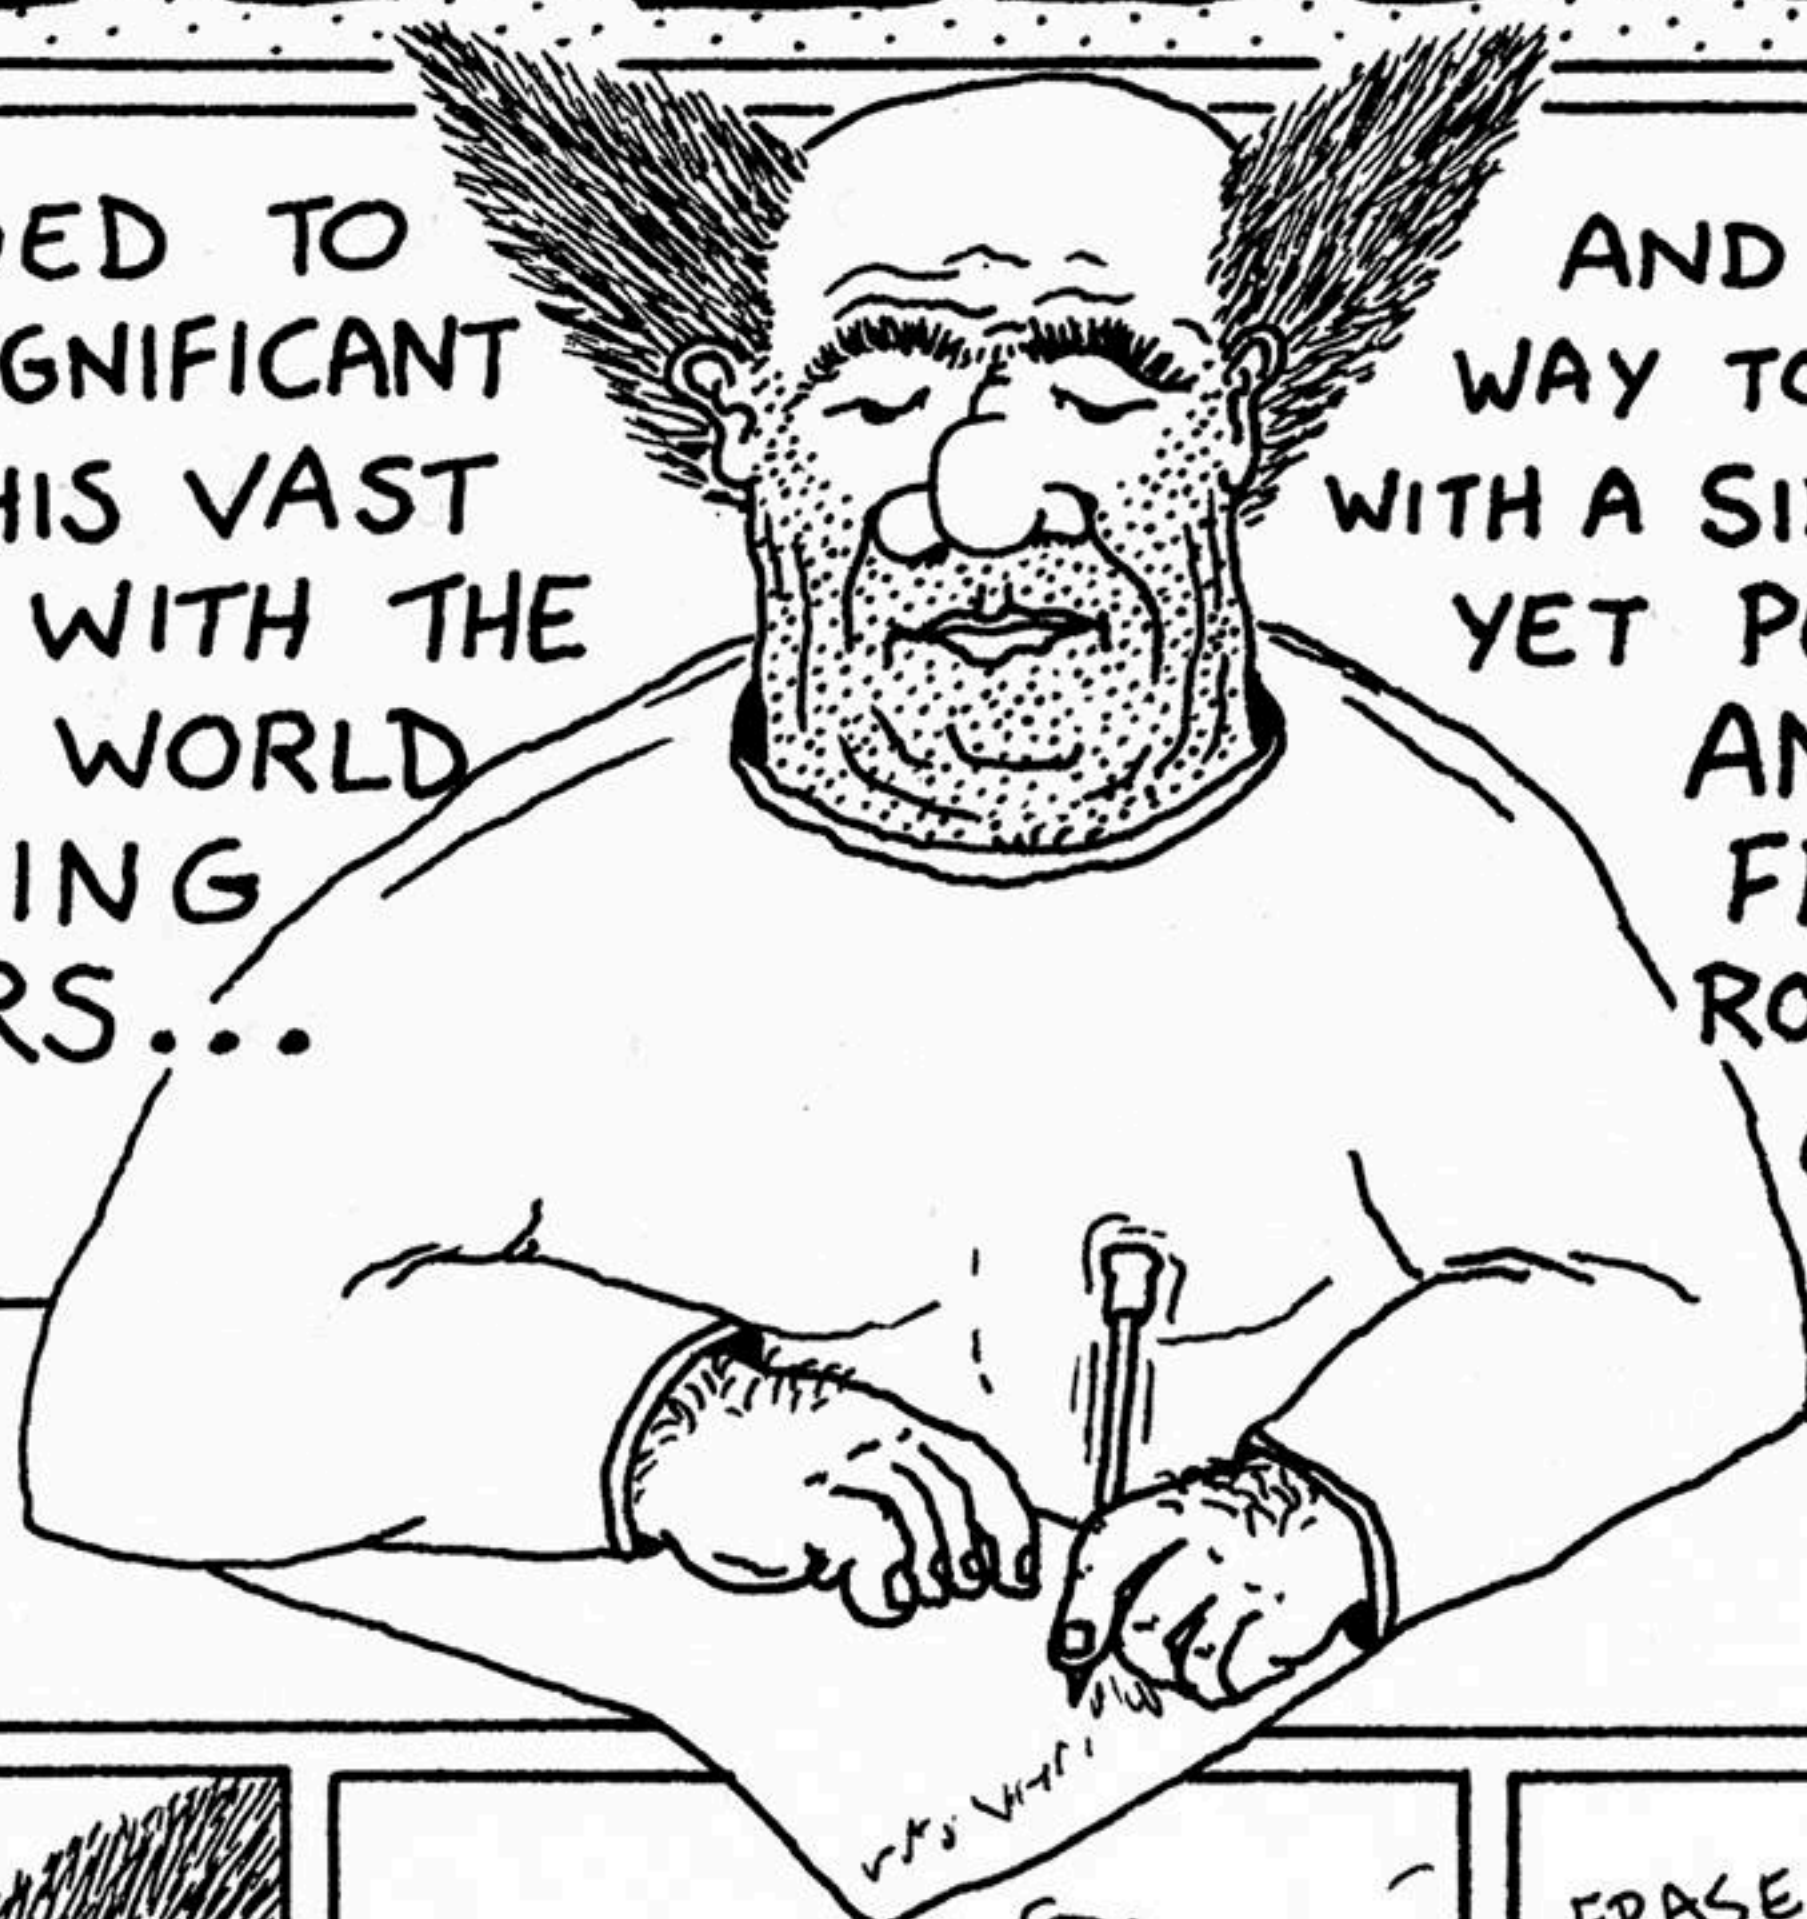

MONKO

QUENCH YOUR THIRST FOR UNDERSTANDING WITH A SIP FROM THE DEEP CLEAR WELL OF REVELATION THAT IS THE MIND OF THE LAST GUY IN THE PHONE BOOK...

ZYM ZZYZZO

ZYM'S DECIDED TO SHARE THE SIGNIFICANT WEALTH OF HIS VAST EXPERIENCE WITH THE REST OF THE WORLD BY AUTHORIZING HIS MEMOIRS...

AND WHAT BETTER WAY TO BEGIN THAN WITH A SIDE-SPLITTING YET PERTINENT ANECDOTE FROM HIS ROUGH & TUMBLE CHILDHOOD.

HE'S JUST LIKE ANYBODY ELSE YOU KNOW, ONLY MAYBE JUST A LITTLE MORE SO, BECAUSE HE'S THE LAST GUY IN THE PHONE BOOK, A GUY CALLED...

ZYM ZZYZZO

ZYM'S TRYING TO REMEMBER WHETHER OR NOT THE LIST OF ACCEPTABLE ABSENTEEISMS IN HIS EMPLOYEE HANDBOOK INCLUDED ANYTHING ABOUT SLEEPING ON YOUR HAIR FUNNY.

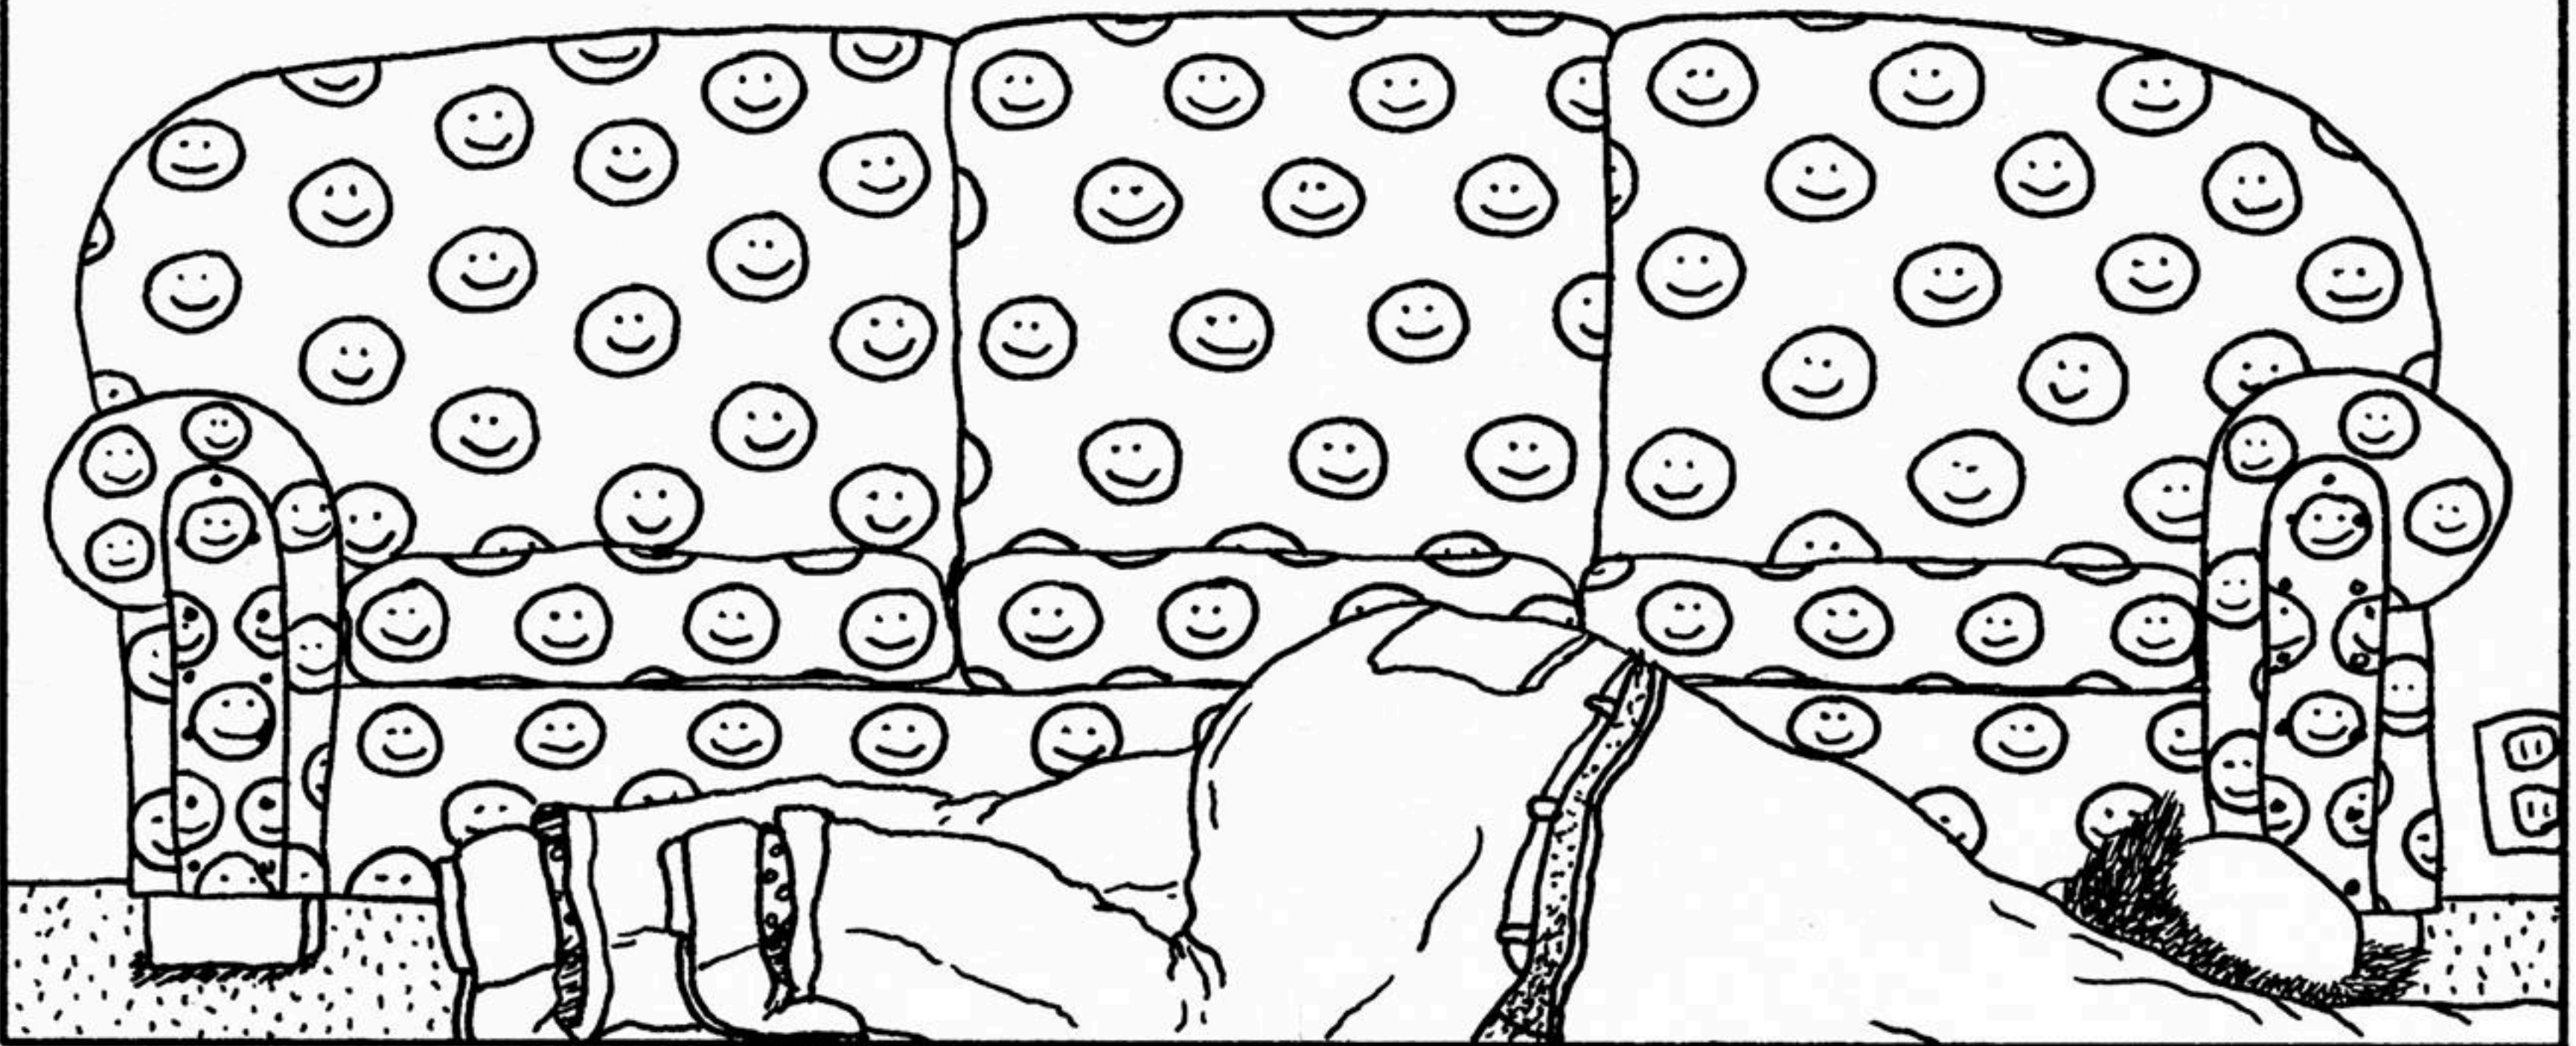

FOR EVERY GRAIN OF WISDOM ON THE GRITTY TRAIL TO ENLIGHTENMENT THERE ARE DOZENS OF DELUSIONS, OODLES OF OBSTACLES, A COUPLE OF SNAGS, AND A BUNCH OF CIGAR BUTTS, BROKEN BOTTLES, AND WHAT-NOT, BUT THIS TERRAIN IS EASILY NEGOTIATED BY OUR FEARLESS NAVIGATOR...

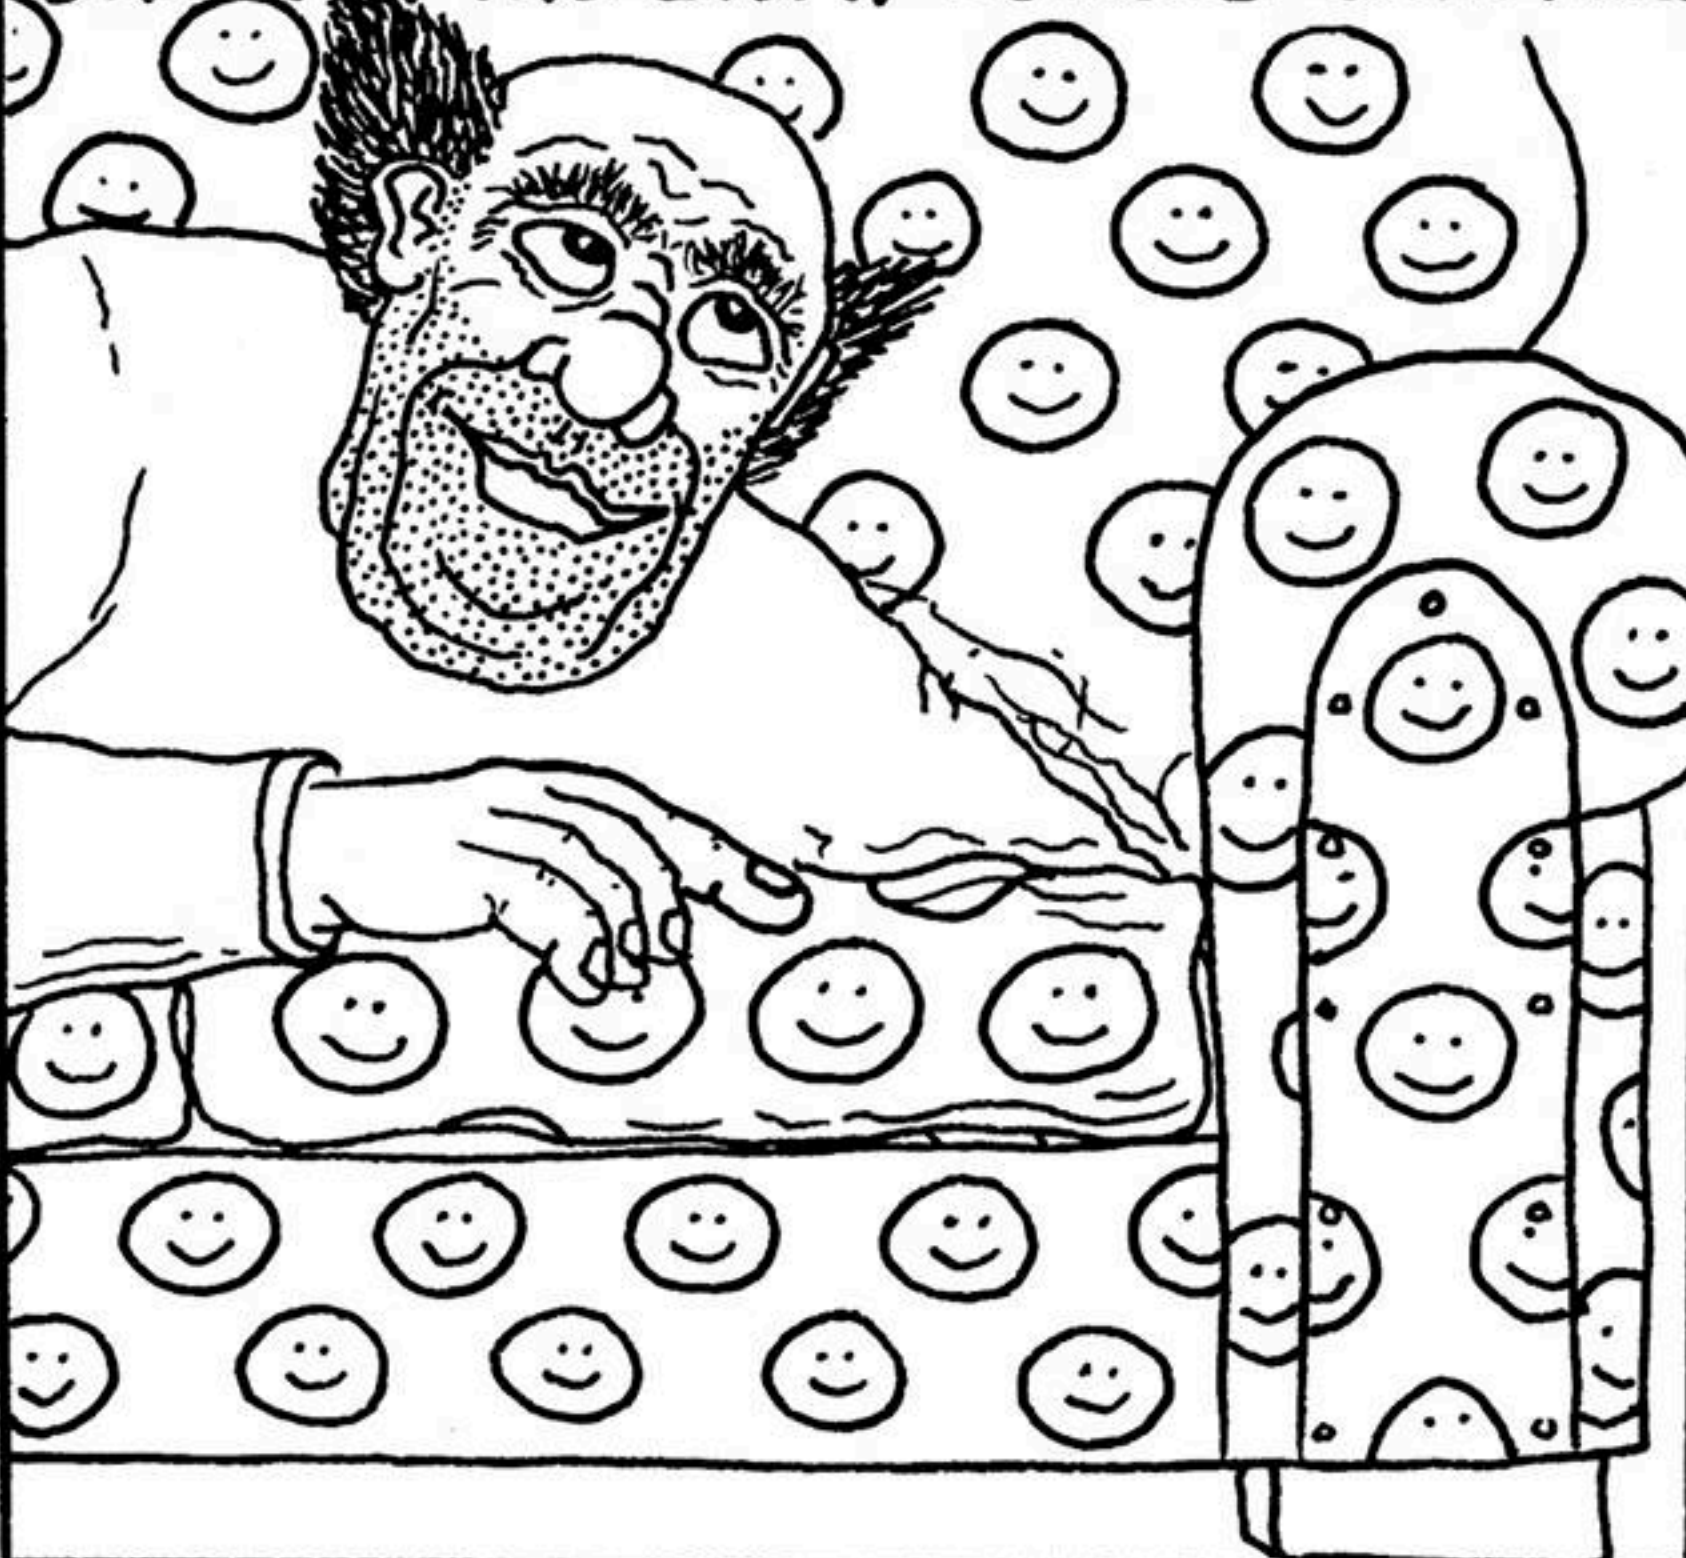

ZYM ZZYZZO

THE LAST GUY IN THE PHONE BOOK

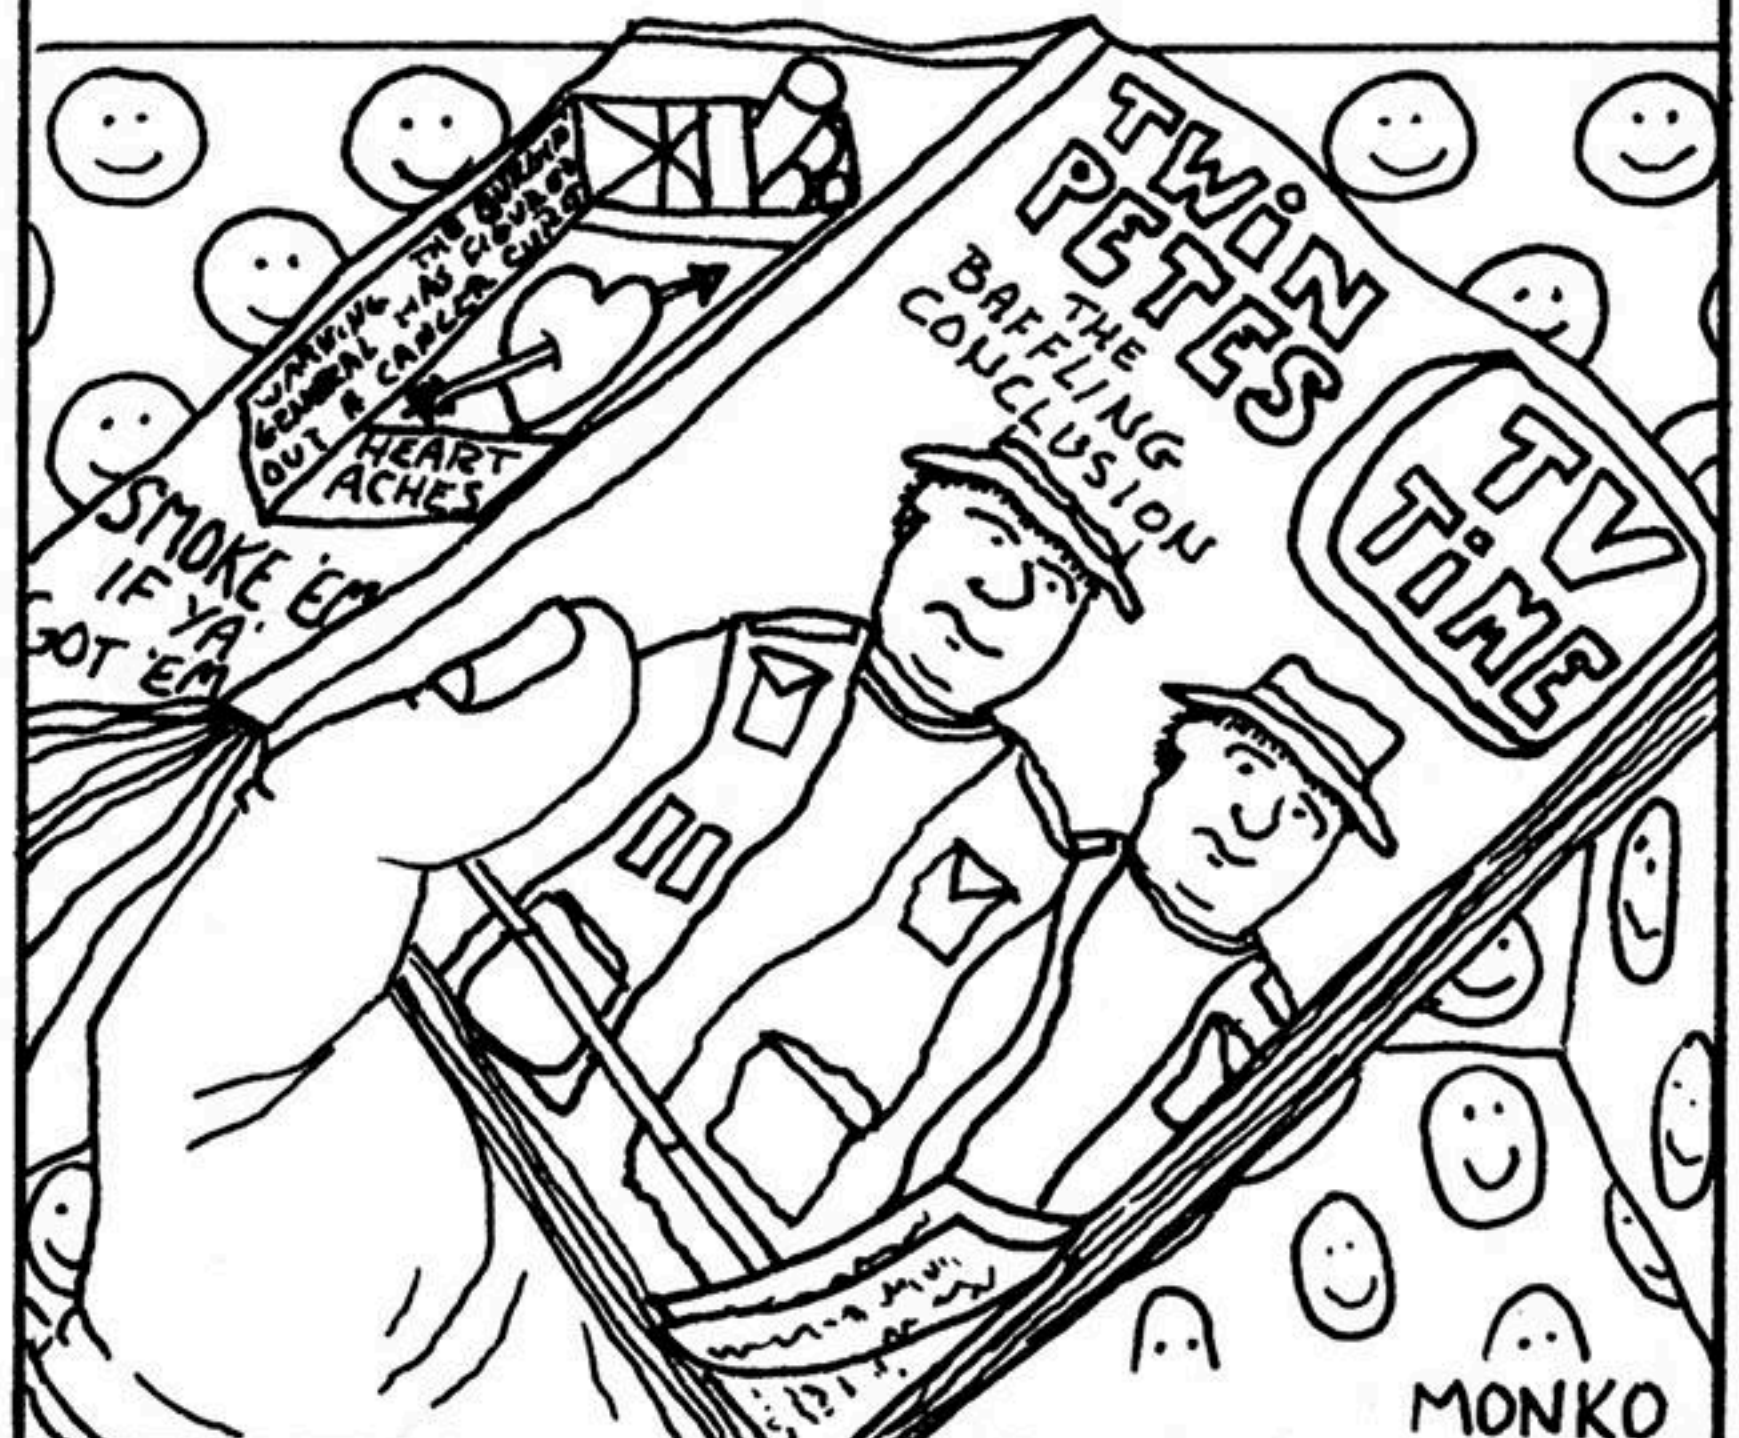

IN HIS RELENTLESS PURSUIT OF TRUTH, ZYM OFTEN FINDS HIMSELF STRUGGLING TO STRETCHY AND STRETCHIER LIMITS, BULL-RUSHING THE DUSTY BOUNDARIES SEPARATING HIM FROM THE SWEET COOL POOL OF UNDERSTANDING FILLED TO OVERFLOWING BY FOUNTAINS OF KNOWLEDGE.

LIKE THE NOBLE WEASEL, HE FERRETS FORTUNE FROM TREASURE TROVES BENEATH THE GRIMY OBVIOUS SURFACE.

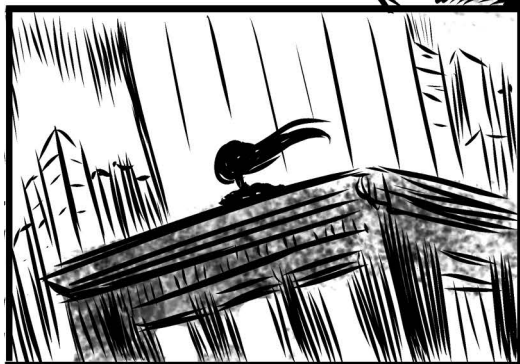

ZYM REFUSES TO ACCEPT THAT THIS IS ALL THERE IS, AND INVARIABLY HE IS REWARDED FOR HIS MOST QUESTFULLY DILIGENT TENACITUDITY.

VELVEETA

A mean yet hilarious nickname you made up for somebody but they don't know.

Donald, I know that if I could only take
you by the hand and bring you into my
kitchen-- Show you the cans of beans
in the pantry, the corners of
the floor where the cheap
lamine is starting to
curl, if I could take you
into the basement and
show you the old furnace
on its last legs, our crumbling
holiday decorations // If I
could serve you tea and
tell you about my grand-
mother-- a waitress for 25 years,

my grandfather-- an artist who died too early,
his body broken down by the U.S. Navy, the
Pennsylvania Railroad-- all those subservient
years-- if I could look you in the eyes and
explain how my sister's children, right down
the street, will never have the kind of money
that might insulate them from the violence
and chaos that's coming if you don't change course
If I could explain to you that even I --
though not as thin or as blonde as your
daughter-- deserve freedom from fear--
maybe then we could acknowledge one another's
humanity, admit that neither one of us is a monster.

Let us piece together the squares of days
Into a vast uneven quilt
Cut and sew
And cut and sew
Until death disrupts our dogged routine
A young child flickers like an ember
Beneath our heaps of blankets
Rustling under weak, dying generations
With flashing eyes and teeth.

(I drew you a diagram so you'll remember)

Meet M.

M is very much like you or me.

He is a small sentient being, powerless to the of fate of the universe.

He has a beginning, but no direction to his eventual end - yet.

That's where you come in.

You can squash him

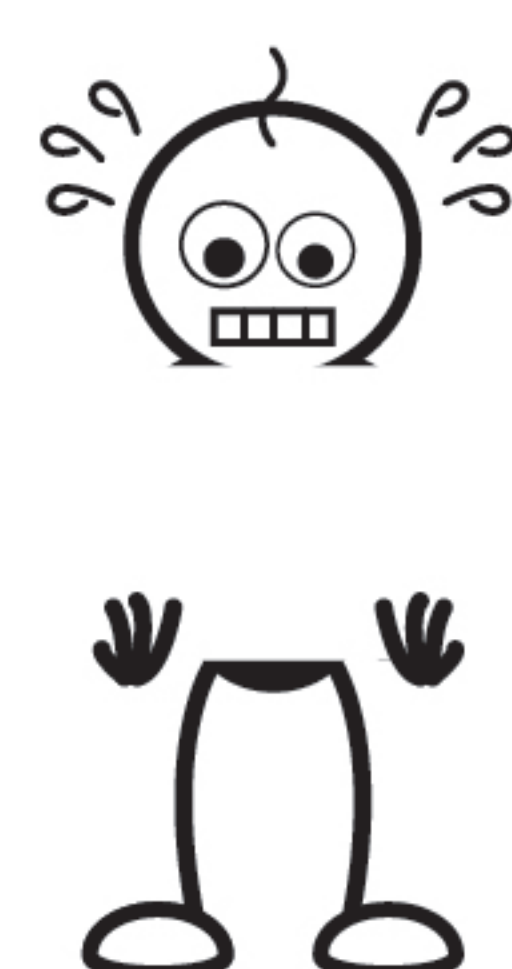

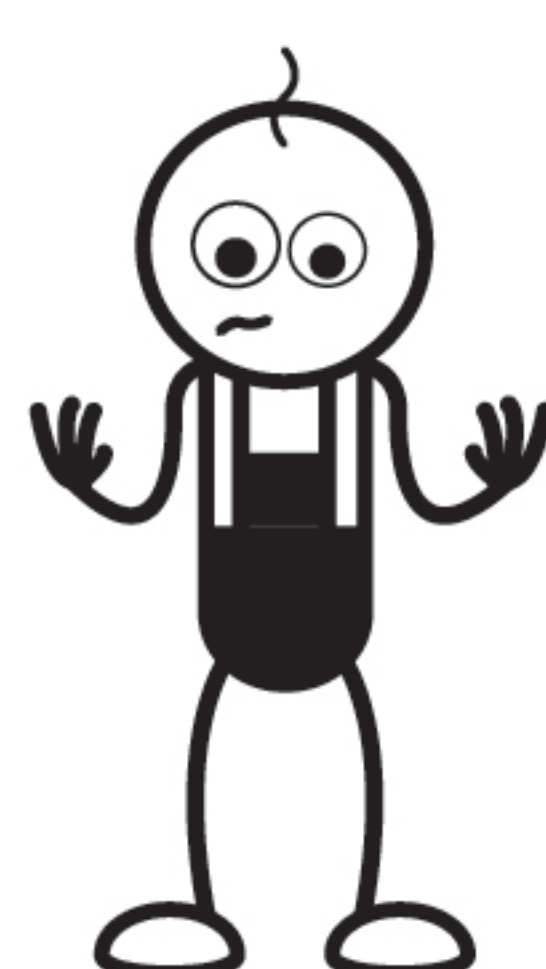

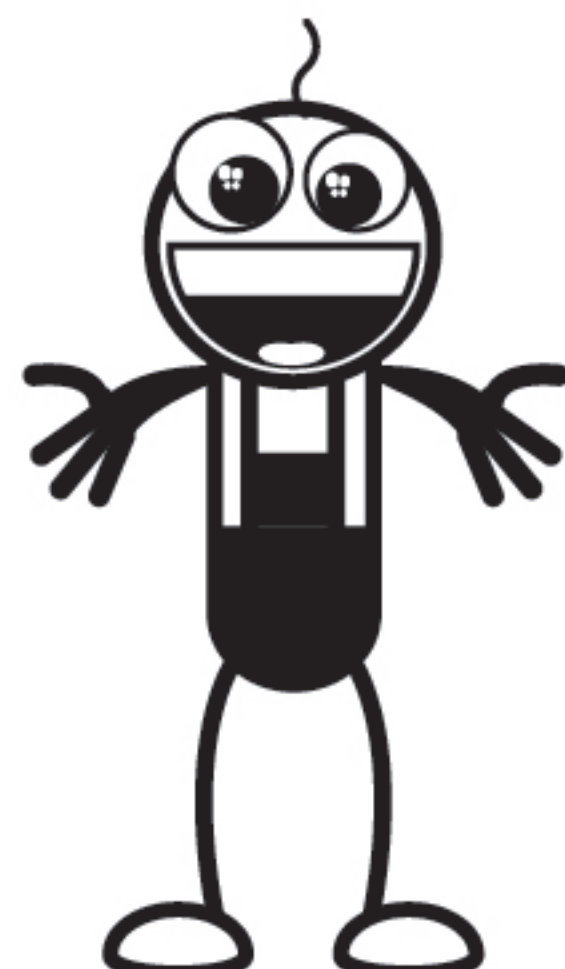

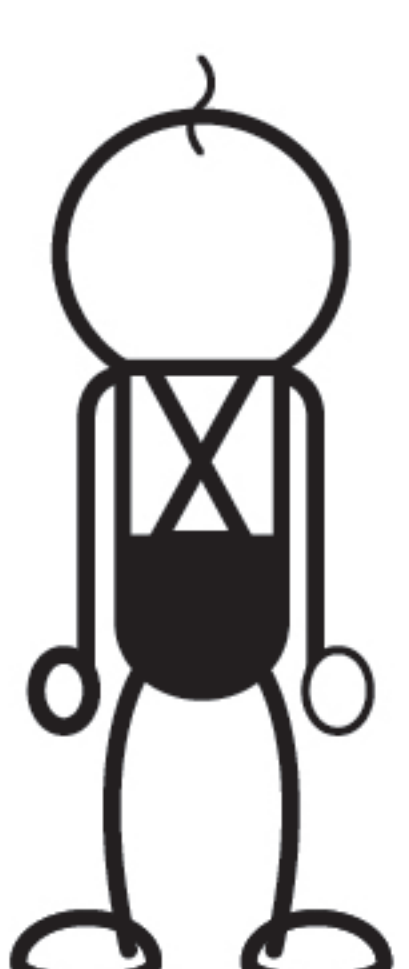

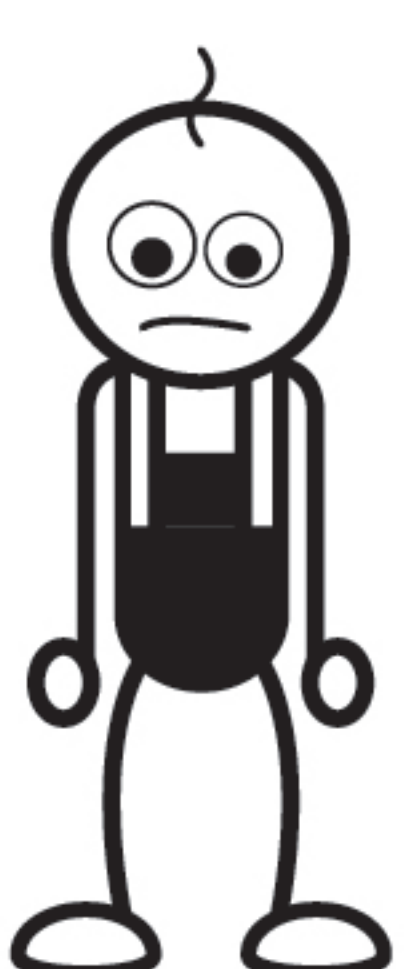

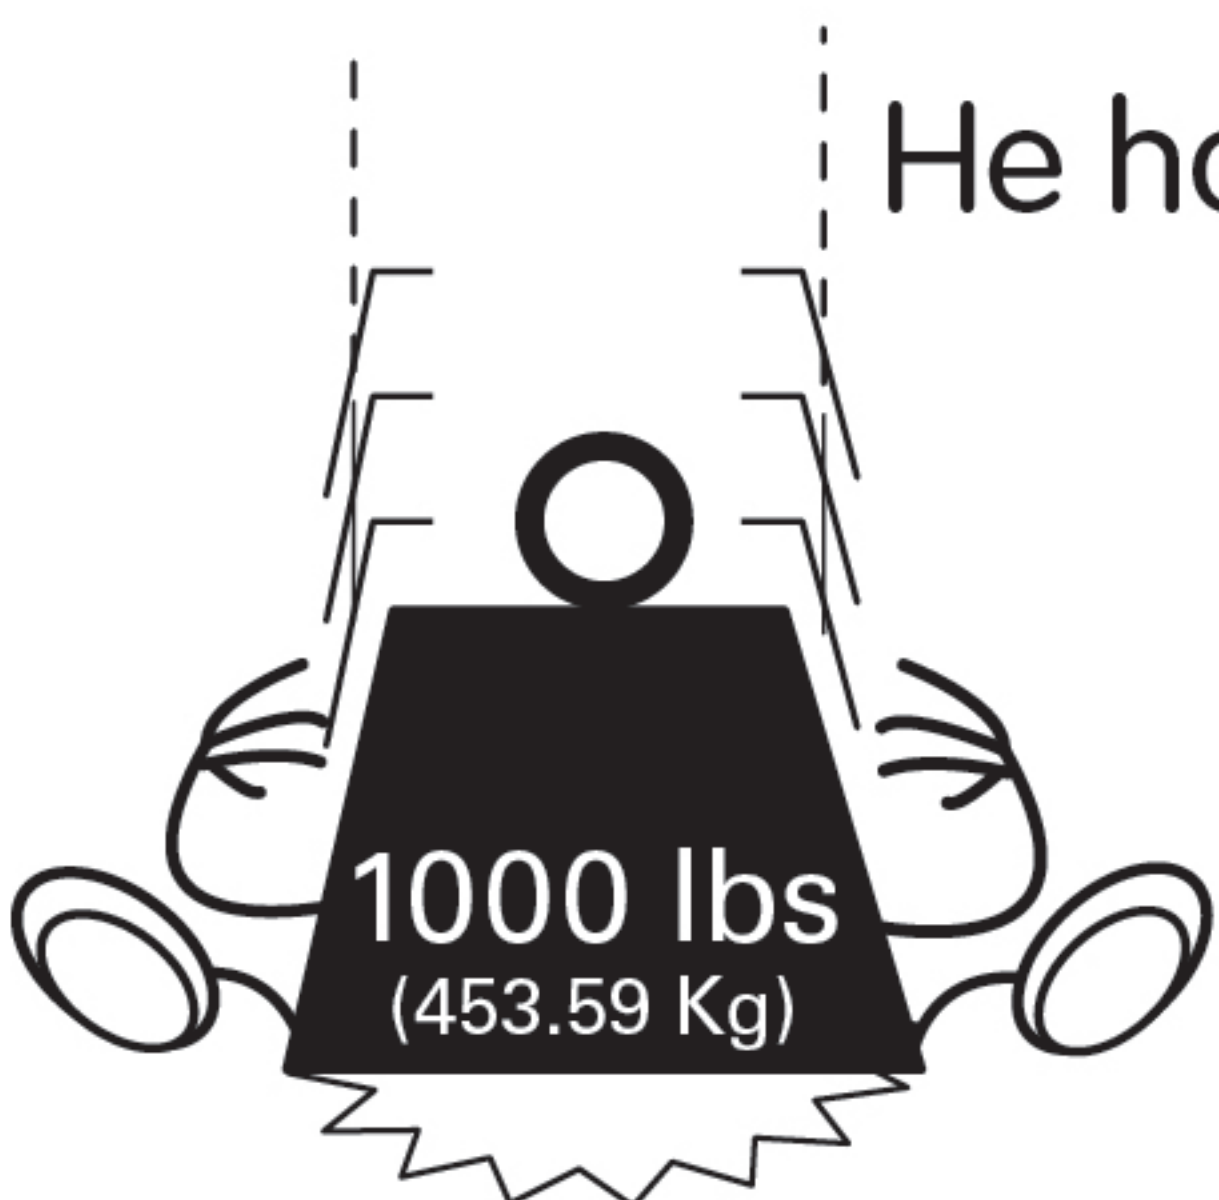

You can make him swim with sharks.

You can make him ride on the back of a unicorn with galling guns.

It's all up to you really. His story is in your hands.

Now you can help M choose the many different fates that await him in the metaverse. Each path diverts and offers different outcomes, by you, the artist.

Can't draw? We've made some drawings for you below:

FREE WILL? CHANCE? MULTIVERSES? DIVINE PROVIDENCE?

DEUS EX MACHINA? PRE-ORDAINED? LUCK? FORTUNA?
